

## AL-07 / Desk

AL-07/Desk delivers precisely controlled lighting directly to the work surface. Utilising the widely available MR16 LED retro-fit lamp in a handsome spun aluminium shade, AL-07/Desk is an ideal solution where budget and facilities maintenance are a priority. Full adjustability with 90° tilt and 330° rotation.

Robust through-desk fixing as standard as well as an option for mounting to a vertical face. Clamp and free-stand base options are also available, along with an integrated or remote touch on/off switch.
