

A-Line / Desk

A-Line/Desk timeless form provides comfortable, glare-free work surface illumination for many universities and institutions. Powered by a single high brightness LED housed within the ultra-slim Ø25mm shade, with a wide-angle optic to provide a broad, even spread of light on the desk.

Robust through-desk fixing as standard, with integral 330° rotation in base. Clamp and freestanding base options are also available, along with an integrated or remote touch on/off switch.
