

## AL-07 / Display

A timeless design: AL-07/Display delivers precisely controlled lighting using the widely available MR16 LED retro-fit lamp in a handsome spun aluminium shade. The 36° beam angle is ideal for illuminating a work of art or highlighting interior details.

Horizontal or vertical stems can be cut to bespoke lengths, the head is fully adjustable with 90° tilt and 330° rotation, and a selection of finishes and fixings are available.
