

StandUp

Great lighting performance with a characteristically minimalist design. The seamlessly contoured Ø75mm shade houses a single 5W LED with excellent colour rendering (CRI90) and 140° optic to provide comfortable glare-free illumination in accordance with workplace lighting guidelines. Control is provided by a touch on/off switch integrated into the shade.

Robust through-desk fixing as standard, with integral 330° rotation in base. Clamp and free-stand base options are also available.
